Charlie Chaplin At The Rex

Fancis X Bushman, will appear at the Rex on Saturday evening in a great Comedy drama "With Neatness and Dispatch." This in itself should be a good program, but in addition the Rex has secured another great Chaplin feature in which Charlie appears in "The Champion." It is said to be a screen from start to finish.

"HURRAY!! IT'S HERE"

If you miss this picture you will never forgive yourself. After weeks of trying the Veteran has at last secured the famous picture "Wolves of the Wall" featuring William S. Hart. This is one of the most awe inspiring pictures ever treated out by Hart, and is interesting and thrilling from start to finish. Press critics in all the large cities say "We never saw anything quite so good." They are right. If you want to see one thing really good, come to the Ven-

er on Wednesday and Thursday evening. On account of the high price of this feature, the price will be raised slightly. Admission, Children 15c., Adults 30c.

Thousands of Jews Slain in Buenos Ayres.

New York, April 18.—Thousands of Jews were slaughtered in a pogrom conducted in Buenos Ayres on Jan. 9, according to a statement issued here by the Zionist organization of America, quoting a report it has received from the Argentine capital. According to the report, "a white guard" was organized there, following a rumor that strikes in that city were the beginning of a Bolshevik revolution incited by the Jews. The report charged that with co-operation of the police, the "white guard" raided the Jewish quarters, "kill-

ing a number that cannot be estimated because all the bodies were buried in a common grave."

Jews and persons who resembled Jews were stabbed on the street, it was said, and even synagogues were raided on the ground that Maximalists were being hidden from the police.

The Argentine branch of the Zionist organization, the report continued, finally succeeded in getting the police to end the pogrom after it had asserted that there were no Bolsheviks among the Argentine Jews.

Cable dispatches from Buenos Ayres during the progress of the riots in that city makes no reference of the pogrom, and one or two weeks after the pogrom is alleged to have occurred did not mention any slaughter of Jews, but reported that an Israeli delegation had waited on President Irigoyen, to protest against "unjust atrocities and inexcusable insults."

Although for more than two

years disorders have been rife in the Argentine capital. The most serious riot occurred last January about the time of the alleged Jewish pogrom, when in trouble growing out of the harbor strike which led to the nationalization of the port, 80 persons were killed and 800 wounded on the streets.

Alberta Farmers Plan Political Rallies in May

Alberta farmers are taking the keenest possible interest in the question of forming an independent political party, according to a statement made Tuesday morning by H. Higginbotham, the local secretary of the U. F. A. It was decided that at least ten per cent. of the various locals would have to express a willingness to call a convention to discuss the matter. In the returns that have so far been received this percentage in almost every instance has been far exceeded.

For instance, in the Victoria

constituency there are 69 locals and the percentage that would be required would be seven per cent. Thirty-seven per cent, however, have already replied in favor of holding a convention and Bow- River, that only needed 8 per cent, has responded with 43 per cent. West Edmonton, Red Deer, Strathcona, Macleod, Battle River, Lethbridge and other constituencies have voted overwhelmingly in favor of the proposition of holding conferences, and it is now only a matter of making arrangements for these to be held.

While it is the intention to give the locals a free hand, already intimated, the locals, if they desire, can have the services of any of the executive as additional speakers.

A meeting for the purpose of forming a Kennel Club is called for Friday, April 25th at 3 p.m. at Inglis and Welch's office. The club must be "in being" before plans can be made for a Bench show at the Fair.

Sid Learns More About The Farm And Writes To Bill

Letters from a boy who went from the slums of a city to work on a farm, to his friend Bill

Dear Bill:

I got your letter the other day and I was awfully glad to hear from you. We are starting to put in our vegetables now and I am busy digging the garden. I milk the cows now and I can also ride on a horse you offer me. I had a hard time staying on it the first time I rode it I guess he wasn't used to being rode before and he got in the habit of standing on his hind feet I feel on him about ten times the first day I tried to ride on him. I went over to the place where they were going to have the barn dance, but I guess they made a mistake cuz the barn didn't dance a tall it was the people who did the dancing. I had a good time tho, it was lotsa fun to watch the people dance and they shure had sum orkstra one man had a bunch ov boxes joined together and he pulled them in an out and it sounded sumthin like a mouth organ, I think it was called a cordein or sumthin like that a nuther man had a violin but they didn't call it that, they called it a fidel, they had a gramophone too, they used it when the players got tired of playing. I don't have to do much on sundays, all I have to do is get in the water an wood, an watter the kettle (they call the kows and things kettle) an hoarses, feed the pigs milk sun ov the kows, an the rest ov the time I spend in cleaning up the harness, I go to bed at seven on sundays, unless I go over to see the boy at the nex farm, his naim is tom, he also has a sister naimed mary, she is a nice girl, I do not wanta leave the farm now sin I met her. It rained the other day an we wuz not abel to do much work in the garden an I suppose we will have to drain the watter ov the fields befor we are abel to plant noed any mor. I went into the vilig the other day with my farmer, a vilig is a place where we get hour groceries at an hour male, it is a small town with a post ofice and stor in won place they is also an oner farm an a coupla ponds, a sloo is a small pond and a pond is just a small lake, I suppose a lake is a larg pond. The farmer sed the other day that he never had a better boy worker for him, an I sed that I wuz usta work. It wuz sum lia wuzn't it.

Well bill must close an go mile the kows. Rite to me agen and tel me al wats goin on in the sittee. Yours till the sky is blue.

Destructive Fire

On Friday night last the cold storage plant of A. Gilmore, M. P., was totally destroyed by a Fire, the origin of which is unknown. The plant is located a short distance outside the town limits, and about ten o'clock flames were noticed by several of our citizens, and an alarm sent. A large number of men were on the spot in a short time, but as there was no fire protection of any kind their efforts were directed to saving what they could of the contents of the office. The large new cold storage and butcher shop, together with the slaughter house and old offices were soon a mass of ruins. There was a large amount of meat in storage, as well as cured meats, lard etc, and this stock was destroyed. Mr. Gilmore was in Edmonton, and was apprised by phone, and came down Saturday morning. Business was immediately resumed and Mr. Gilmore will rebuild at once. While the loss is serious, fortunately it is fairly well covered by insurance.

Shot by a Steer

To Mr. E. Shaw belongs the glory of being the first man ever shot by a domestic animal and is overjoyed to have come out of the scrap as well as he did. One day

last week, Mr. Shaw was shooting gophers on his farm with a .22. Some animals were in the pasture where he was hunting, and when he laid his rifle down for a moment, a steer came along to inspect it. The animal stepped on the gun with the result that it was discharged, the bullet striking Mr. Shaw in the stomach, fortunately only inflicting a slight wound. It was a very narrow escape, however. Mr. Shaw is around again and is recovering nicely.

Don't Buy Any Car Unless You Are Sure Factory and Dealer Are Both Reliable

Once again the automobile season is with us and this time under such happy auspices as are likely to make it the most memorable year in the whole remarkable history of the automobile industry.

No longer need the prospective car buyer weigh his real need for a new vehicle against his conscientious scruples and desire to be patriotic. No one can doubt that in addition to pleasing his own desire in the matter, the buyer of an automobile has added something to his country's efficiency by putting into service another vehicle that contributes just that much to its transportation system.

In fact, this spring, we may say that it is the patriotic duty of every man who can afford one to buy a car, so as to help make up for the decreased number put in operation during the last months of the war.

Watch The Mechanical Feature

In considering the mechanical qualification of the car under examination the ordinary buyer who knows practically nothing about the phase of the matter should have the advice of some one qualified to pass on the car and whose disinterestedness he can trust. In other words do not let the glib salesman be the only arbiter of the car's mechanical makeup.

In this phase of the selection will come a consideration of the performance that the car must show. For instance, a car that is to be used in a hilly country must be a good hill climber; it must have some superfluous power. For service anywhere the car must have a vehicle with a respectable turn of speed; quick acceleration and good flexibility. Any car should be able to throttle down to a slow pace while it is being driven in high.

First and foremost the intending purchaser should be certain that the car he is "sweet on" is manufactured by a company that is financially sound and well managed. This precaution is necessary because there is nothing else so burdensome as to find oneself with an orphan on one's hands.

When the company manufacturing a car goes out of business, the matter of replacement and spare parts becomes a problem that is difficult of solution and surrounded by annoyances. Be sure then that the maker of your car is going to stay in business.

Next, the prospective buyer should scrutinize the dealer, his standing equipment, and general reputation, particularly among his own clients. Probably the most accurate estimate of a dealer may be secured by a few inquiries among his customers. If people who own cars of his particular make have had trouble getting prompt repair, or in the not unimportant matter of exorbitant bills for work done or in any other way you will find them only too glad to talk about it.

If you find the patrons of a dealer apparently well satisfied with the treatment they receive you may be sure that you will receive the treatment and service that you want.

In this connection it is well to inspect the dealer's establishment to see if he has facilities for turning out quick repairs. Also find out whether the dealer has the reputation of giving quick service on spare parts. Some manufacturers of otherwise excellent reputation have extremely poor service departments, so that a dealer with the best will in the world is not able to give his patrons quick service in this respect. A few inquiries among users of the car will quickly establish this fact.

Do We Need Them

According to statements made in the commons by Hon. Arthur Meighen speaking for Hon. Mr. Calder minister of immigration, the most the government expects to do with reference to immigration of Mennonites, Hutterites, and other people of peculiar religious beliefs is to withdraw all military service exemptions in their case. In other words, the assumption of the government is that as these peoples are for the most part citizens of the United States, it would be impossible for Canada to keep them out of the country if they were willing to come in and comply with all the regulations of Canadian nationalization and citizenship.

This view of the matter does not suit the Winnipeg Canadian Club. Neither does it suit the returned veterans. The contention is that these people and all others like them are, so far as western Canada is concerned, in the undesirable class, and should be so treated by the government immigration committee. They make light of the suggestion that to deny the privilege of entry in their cases would cause bad feeling between the United States and Canadian governments.

We are inclined to agree with the objectors in this matter. Canada has been keeping undesirable people out of the country for a long time now and deporting others who got in and were later found to be undesirable. The United States has been doing the same thing with respect to certain Canadians who were not wanted in the republic. Yet there has been no hint of trouble between the two governments nor is it likely there would be if the prohibition were extended to apply to a complete sect or colony.

Whether these people are or are not truly objectionable outside of the question of the military service, is another matter. Undoubtedly many of them are a constant source of annoyance and trouble to the educational authorities of the various provinces due to the fact that they persistently refuse to make use of the public schools, persisting that their children shall be taught in special schools of their own, where a language other than English is used. Their community life tendency is also a cause of more or less trouble, preventing speedy and satisfactory assimilation. On the whole, it looks as if we might get along very well without them in this country, even if we have to wait a little longer for immigration of the sort we want.

Ponoka News

Our community was started on Saturday afternoon when it became known that Rev. John Cook, pastor of the Baptist church, had passed away in the Strathcona military hospital. He had gone for treatment several days previous and underwent an operation on Thursday.

Deceased had been pastor here for almost two years, and won a foremost place among the people as an earnest christian minister and worker. He had been suffering from stomach trouble for some time, but his most intimate friends did not look for such a sudden demise.

Mr. Cook, who was fifty six years of age, was born in Scotland and came to Edmonton eleven years ago, where his family reside. He saw service in England with the 194th battalion.

He leaves a wife, daughter and four sons, two of whom reside in the Old Country, to whom much sympathy is extended in their sudden bereavement.

The death of William Holder took place on Saturday morning after a lengthy illness. He was 24 years of age, and was well known and highly esteemed in this community, more especially in the Earlville district.

His father, three brothers and three sisters survive. The funeral took place on Tuesday, interment being in Forest Home Cemetery. Rev. Mr. Cronin officiated.

Work has commenced on new building at the asylum. Judging the large number of workmen employed, it seems as if work was to be hurried. As a consequence, hotel accommodation is taxed to the uttermost, and the demand for houses is far beyond supply. Altogether it means much to our town and there will be a busy summer.

It's Up to You!

Why should you go through life with half sight, or poor vision? The other day I fitted a man with glasses who had gone through life so near sighted that he could not recognize a friend across the street. This man had never known the joy of clear vision, and it was a pleasure to see his delight when he viewed distant objects for the first time.

Then there is a person who has a headache after reading for a short time. It is more painful that the near sighted condition, but yields equally when proper glasses are worn. If you are having trouble with your eyes, have them tested.

Help the Y.M.C.A. Finish its Work For Soldiers

Help the "Y" Construct the Manhood that will Re-construct Canada

ALL the world now knows that the Red Triangle of the Y.M.C.A. was the "Sign of Friendship" to thousands of your brothers, sons, nephews, cousins and neighbours' boys in the last four and a half years. Wherever the Canadian Soldiers went, the "Good old 'Y'" went too. And now it is coming back home with them!

For the support which has made possible the war work of the Y.M.C.A. we thank you. Your money has been well expended. We have rendered full account.

We ask now your continued sympathy and support for Red Triangle Service for our Soldiers during demobilization, and for Y.M.C.A. work for Canada generally during the Reconstruction period. The Annual Red Triangle campaign will be held throughout Canada May 5th to 9th, 1919. The objective is \$1,100,000.

The Y.M.C.A. will keep its chain of service unbroken till the end.

For Our Men Returning

For the soldiers and their dependents, returning from Overseas, we have provided as follows:

1. A Red Triangle man on board every ship when it leaves Great Britain, with a full equipment of games, gramophones and records, magic lantern, literature and writing materials. Where possible, also a piano or an organ. Lectures, concerts, sing songs, instruction in Government registration plans, and Sunday Services.
 2. Red Triangle comforts and facilities for the men on arrival at Halifax, St. John, Quebec and Montreal, including coffee stalls, with free drinks, free canteens, cigarettes, candies, etc.
 3. Red Triangle men on every troop train to provide regularly free drinks, canteens and cigarettes, organize games and sing songs, and furnish information.
 4. Red Triangle free canteen service, information bureau, etc., at each of the 22 Dispersal centres in Canada.
 5. Red Triangle Clubs in the principal cities of Canada in the shape of large Y.M.C.A. hostels to furnish bed and board at low rates and to be a rendezvous for soldiers.
 6. Seventy-five Secretaries to superintend Red Triangle service in Military Hospitals, Camps and Barracks throughout Canada.
 7. Tickets entitling soldiers to full Y.M.C.A. privileges for six months at any local Y.M.C.A. furnished.
- In addition to our work for the returning soldiers, we have to maintain the Red Triangle service to the full for the soldiers in Siberia, as well as the work of special secretaries in Northern Russia, Palestine and Poland.

For Canada's Manhood

The Reconstruction program of the Y.M.C.A. includes the following vitally important developments:

1. An increased service to 300,000 teen-age boys in the Dominion—the development of Canadian Standard Efficiency training; Bible Study groups; summer camps; conferences; service for High School boys, for working boys, in the towns and cities; for boys on the farm and for boys everywhere, who have lacked opportunity for mental, moral, physical or social development.
2. Inauguration of Y.M.C.A. work in the country, and the smaller towns and villages lacking Association buildings and equipment, on a plan of county organizations. This will include the establishment of Red Triangle centres for social, recreational and educational work among boys and men, in co-operation with the churches.
3. The promotion of Y.M.C.A. work among Canada's army of workers in industrial plants, both in Y.M.C.A. buildings and in the factory buildings, organizing the social spirit among the industrial workers of our cities by meetings, entertainments, games and sports.
4. The establishment of the Red Triangle in isolated districts where lumbermen, miners and other workers hold the front trenches of industry.
5. Besides these main fields of increased activity for 1919, we have to provide for enlarged work among railway men, college students and for our campaign to encourage physical and sex education. Under all our work we place the fundamental foundation of manly Christianity.

Canadian Y.M.C.A. Red Triangle Campaign \$1,100,000 May 5 to 9 Canada Wide Appeal

Y.W.C.A.

For the wives and children Overseas, dependent upon Canadian soldiers, and for Y.M.C.A. work in Canada generally, a sum of \$175,000 from the Red Triangle Fund will be set aside for the Dominion Council of the Y.W.C.A., which is caring for the soldiers' women folk, and their little ones on the long journey from Liverpool to Canada, and is also extending its work for Canadian girls.

For their sake also be generous when you make your contribution.

FOR the sake of our victorious soldiers and their dependents, and the happiness of their home-coming; for the sake of our future citizens, our teen-age boys; for the sake of rural life in Canada; for the sake of the social betterment of the toilers in factory and workshop; for the sake of lonely men and boys in our mines and forests; for the sake of Christian Society and Canadian manhood—we appeal to you. Give us your contribution, little or big. Be as generous as you can.

Hand your contribution to the canvasser when he calls, or if you live where it is difficult for him to call, send it by check, money order or registered letter to the National Treasurer, Red Triangle Campaign, 120 Bay Street, Toronto.

Please Note:

We are not asking for money to carry on our work Overseas, with the Army in Great Britain, France or Belgium. That work will continue at its maximum for some months, financially provided for by the liquidation of our assets Overseas, and will not terminate till the last man has sailed for home.

Deering Farm Machinery

A Complete Line of Machinery

See the Deering Drill before you buy elsewhere.
The result of your years crop depends on the accuracy and
efficiency of your Drill. The continuous steel axle, adds to the
strength and has a special advantage when turning at the ends
of the field. The pressure springs are located in the rear, re-
moving the neck weight. The adjustable truss rod which runs
the entire length keeps the grain box from sagging. Don't
risk borrowing your neighbors drill, it's unsatisfactory and you
may not be able to get your seed in on time. A complete line
of Disc and Shoe Drills on hand for Spring delivery. When in
town, drop in and let us quote prices on your spring machinery.
We are making a special effort to meet your demands on all
kinds of repairs.

\$2.00 for 6 in. well to all who have
not contracted with them before
April 1st.

Rev. T. C. Buchanan, D. D. Sup.
of Methodist Missions, Northern
Alberta, was a visitor at the par-
sonage for a short time on Satur-
day and Monday enroute to and
from Rimbey.

Mr. W. M. Reitzel spent the Easter
holidays in Edmonton.
Mr. and Mrs. Weise and Detlef
spent Sunday in Rimbey.

Mr. John Ellsworth was taken
suddenly ill on Friday noon. The
Dr. was called and pronounced it
an attack of acute indigestion.

Mr. F. S. Plasket of the Union
Bank spent Sunday and Monday
in Calgary.

Miss Nina Nicholson spent the
holiday at home.
Vegetable and Flower seeds at
Morrison and Johnston, Ltd., Ben-
tley.

There was a very good attend-
ance at the U. F. A. meeting on Sat-
urday night. Six new members
were received. Co-operative buy-
ing of barb wire etc. was discussed.
A resolution was passed asking the
U. F. A. headquarters to urge lo-
cals over the province to get to-
gether in a protest against the in-
crease of rural telephone rates.

It is also decided to send a pro-
test to Premier Stewart in regard
to this matter.

Mr. Charles Woolgar is conval-
escing from an attack of the flu
and is not very well yet.

Miss Marnie Nelson, of Mt. Roy-
al College, Calgary, spent the Easter
holidays at home.

A special meeting of the Of-
ficial board of the Bentley Church
was held on Monday night when
report was received as to the fi-
nancial condition of the work. The
reports showed better standing
than at the same time in previous
years but there is still quite a sum
to be made up to meet the bud-
get objective for the year. The
year closes on April 30th and all
contributions should be in by then.
The officials are busy men and it
is hoped that many who have not
yet contributed will not wait to
be called on by the Stewards, but
send in their share without solici-
tation.

Arrangements were made for
an annual meeting of the church
community and Banquet. This
will likely be held as soon after
seeding as possible.

Mr. F. E. Cowart returned
from Calgary on Monday.

The R. R. Yards are beginning
to assume a lively character. Car-
loads of ties are being unloaded
and bridge timbers are arriving.
Grading is completed for some
more yard tracks, and it is ex-
pected it will be put in immedi-
ately. The Little Engine No. 13 is being
fitted up to put on the Lake service
as soon as the season opens. Some
hopes that the Electric Car can be
operated are being expressed, but
this is doubtful. It is likely a large
crew of men will be at work
soon on the bridge at the outlet.

Miss Grace Thompson of Cal-
gary and Marie of Red Deer
spent the Easter holidays at home.

The bazaar and supper on Easter
Monday was a splendid suc-
cess in spite of the busy season.
Quite a few useful articles were
disposed of and many plants and
ships were sold. Something over
fifty dollars was realized.

A Farewell party was given in
the Club room on Friday night by
the young people, complimentary
to Miss I. and Mr. Ralph King
who are leaving this week for Okla-
homa. A large number were
present and enjoyed the evening
of games and refreshments.

Mr. and Mrs. W. Saint went to
Calgary on Tuesday to meet their
son, who is returning from over-
seas.

A number of the Ladies dropped
in on Mrs. C. C. Miles at the
home of Mrs. W. J. Morrison on
Thursday evening and spent a soci-
al evening. During the evening

MR. ALEXANDER MUNRO

R.R. No. 1, Lorne, Ont.
"For over three years, I was
confined to bed with Rheumatism.
During that time, I had treatment
from a number of doctors, and tried
nearly everything I saw advertised to
cure Rheumatism, without receiving
any benefit.

Finally, I decided to try 'Fruit-a-
tives'. Before I had used half a box,
I noticed an improvement; the pain
was not so severe, and the swelling
started to go down.

I continued taking this Fruit me-
dicine, improving all the time, and
now I can walk about two miles and
do light chores about the place."

MODESTY

When every pool in Eden was a
mirror

That unto Eve her dainty
charms proclaimed,

She went undraped without a sin-
gle fear or

Thought that she had need to be
ashamed.

"Twas only when she'd eaten of
the apple.

That she became inclined to be
a prude,

And found that evermore she'd
have to grapple

With much debated problem of
the nude.

Thereafter she devoted her atten-
tion

Her time and all her money to
—her clothes.

And that was the beginning of
Modesty as well we may
suppose.

Reactions come. In fashions the
most recent,

Our girls conceal so little from
the moon.

"Twould seem that in the name of
all most decent

Some one should pass the apples
round again.

Poolish Policy

For some reason members of
the Alberta government are
doing their level best to make
the Dominion government's Thrift
Stamp campaign in Alberta a
genuine failure. Not only the
minister of education refuse to
permit Thrift Stamp sales in the
schools, but Hon. Duncan Marsh-
all is reported to have declared
himself as hostile to the idea of
collections being made at the Cal-
gary Stock show some weeks ago.

It is interesting to note the rea-
sons given by the minister of edu-
cation and the attorney-general
for their opposition to the conduct
of this campaign among the school
children. Hon. Mr. Smith is af-
raid that such a collection from
the children would result in a
spirit of competition among them

would buy more stamps than those
of parents not so well fixed finan-
cially, which would make hard
feeling. If the minister's argu-
ment holds good in this particular
case it should be equally good in
the matter of dress. Some schol-
ars are able to wear much better
clothes than some other scholars.

To be entirely consistent the min-
ister should introduce a bill re-
quiring all public school children
to wear a prescribed dress. It
would be just as sensible as his
solitude for the feelings of the
children with respect to Thrift
Stamp collections.

But it was left to Hon. Mr.
Boyle to cap the climax of fool-
ishness, by classing Thrift Stamp
campaigns among the school chil-
dren as a begging scheme, charg-
ing the government with the serious
offense of taking money from
babies. It cannot be argued that
the attorney-general is ignorant
of the purpose of the Thrift Stamp
campaign, that he thus misrep-
resents it. He surely knows better.

His opposition looks like a delib-
erate attempt to knock.

It is true that the Dominion
government expects to raise some
money by the Thrift Stamp cam-
paign. That, however, is not the
only object aimed at. What is
of greater importance is the hab-
it of thrift which will be devel-
oped among the young people by
participation in the savings move-
ment. We have been a spend-
thrift people for many years and
the spending habit has been par-
ticularly marked in the rising gen-
eration. That sort of thing au-
rals ill for the future prosperity
of the country. Any scheme that
tends to correct the spendthrift
habit and create a saving habit is
a good scheme and the ideal place
to make it work is at school.

ively is with the children.

In refusing to allow Thrift
Stamp collections in the schools
of Alberta the Alberta govern-
ment is showing itself extremely
short-sighted. The refusal will
not materially affect the finan-
cial success of the Dominion gov-
ernment scheme, but it certainly
will prevent effective teaching of
one of the most valuable lessons
that could be imagined to the
young people of the province.

Gilly News

Quite a number of settlers are
arriving from the States and the
drier parts of Alberta shipping in
a good supply of stock, machinery
and household goods.

A branch of the U. F. A. was
launched on March 31st at the J. M.
Thorp Ranch near Gilly by the
name Medicine Valley Local. Of-
ficers decided as follows. O. J.
Norem, President.

Frank Lawton, Vice President.
Elmer Thorp, Sec.-Treas.

Last West District 431

At the last meeting of the above
council held a few days ago the
following resolution was passed:

"Resolved that this is a mixed
farming and cattle raising district.
Only resident ratepayers will be
permitted to have access to the
free range, and will be allowed
to run not more than fifty head of
stock to each 160 acres owned.
Moved and carried. L. H. Cha-

A record price was reached in the beef market this week, when Fred McPetridge a well known cattle dealer, Lacombe, purchased an eleven months old calf from Mr. Madden of the L. U. Ranch at Blackfalds for sum of \$125.00. This Baby Beef is only one of 56 head which Mr. Madden is feeding and eminent stock men place the live weight of these cattle at 850 lbs. These calves were purchased by Mr. Madden last fall from Mr. Walter Scott one time resident of Lacombe. They are all white faces and were put into the feed lot at an average weight of 150 lbs. This is the first experiment in feeding Baby Beef in a car load lot that has been tried in the Lacombe district, and Mr. Madden deserves much credit in his choice of animal

als and his success as a feeder.

Section ten miles from Lacombe. Good house and barn, 60 acres cultivated. Well watered. Price \$30.00 per acre 1/2 cash. Balance arranged. Inglis and Welch.

There was a bunch of O. B. Joyful jugs in town on Saturday afternoon last, and the old burg had the appearance of those happy days before prohibition came into effect. Where the booze came from is a mystery that the police are trying to clear up. This "prohibition" the government is enforcing is some joke. But just think of Boudreau. It is to laugh.

A. S. Stewart was a visitor in Lacombe on Monday evening. Mr. and Mrs. Stewart and family are now sojourning to Banff.

G. H. Hutton was welcomed by friends at the depot on Monday evening, while on his way to Edmonton.

H. M. Trimble and family leave for Edmonton this week, where they will reside. We are all sorry to lose this estimable family, who during their nineteen years residence here have endeared themselves to all. Mr. Trimble has always taken an active part in all matters concerning the town and district, was a consistent church worker and a good sportsman.

Mr. H. J. Northcott, of Cilve, has purchased the Trimble home on Day Street, and took up residence this week.

H. G. Benson returned from overseas this week, after having seen some years of fighting in France.

Miss Jean Hill, we are pleased to say, has so far recovered from

her illness, that she was able to be taken out in an invalid's chair last week.

Mr. G. H. Benson who returned from overseas last Wednesday left on Monday with his two daughters, Aletha and Lillian, for his farm at Rocky Mountain House.

Mr. McVey of Edmonton is a Lacombe visitor for the last few days.

Messrs Jack Bowen, Tom Carigan and Tom Sheppard of Edmonton spent the Easter holidays with friends in Lacombe.

Miss Perce, Lacombe's former vice principal of high school was a visitor in our city during the holidays.

Warren Nicholson who returned from overseas on Monday, left for Calgary on business. Warren is looking fit and fine after three years of service overseas. He is resuming farming in Bentley District.

"The Cyne," first of series of evening sermons on "Modern Minds and Ancient Lamps." At Grace Methodist Church on Sunday. Don't forget the church school at 11 a.m.

Twenty-seven men under the influence of booze were counted at one time on Lacombe Streets on Saturday afternoon last. And we

thought a bunch of bootleggers had raided our fair town. It appears however, that they were all "legitimate" jags, furnished according to law. This prohibition is certainly one big job. The Western Globe has a complete list of the "makins" supplied on Saturday and it sure makes strange reading.

The anniversary service of the I.O.O.F. will be held in the Presbyterian Church on Sunday April 28th at 11 o'clock. Every Odd-fellow is invited to attend. The Bros. are requested to meet at the lodge room in the Masonic Hall at 10:30 p.m.

Death of Thomas Flynn

Thomas Flynn, a well known young man of the district, died at the home of R. M. Gibson, on Sunday last from influenza and complications. Deceased was thirty-two years old, and was a native of Ireland. He has been farming with Mr. Gibson for the last year, and had many friends in town and country.

Aurora S.D.

The Box Social held in this district (35 miles west of Bentley) on Saturday, April 12th realized over \$40.00. The first part of the program was a concert, in which an original "Dunkie Dialogue" written specially for the occasion by Mr. G. King, was specially enjoyed. The song "Wandering Boy" by Mrs. Everts, Miss Vera Johnston and Miss Scott was also very well received, as was the duet "Farewell" by Mr. and Mrs. King. The boxes were auctioned off by Mr. Everts. After supper the school children gave a hearty vote of thanks to the Chairman (Mr. Sherman), the auctioneer

and the visitors who paid such generous prices for the boxes.
